SUBJECT

: Revised Records Control Schedule for OBGI

- 1. The revised Records Control Schedule for the Office of Basic and Geographic Intelligence has been reviewed and approved. This schedule supersedes your previous schedule 27-67. The original has been retained in this office as the Agency record copy and one copy will be sent to the Records Center. The enclosed copies are returned to you for implementation within OBGI.
- 2. To be an effective tool of management the schedule should be maintained in a current status. Changes to the schedule may be made at any time and should be forwarded to this office for approval.
- 3. We wish to extend our appreciation for your continued efforts and interest in carrying out the various phases of the Records Management Program in your office. If we can be of any further assistance please call us.
